

### Livid Pinecones (12d)

A nasty boulder off the ground leads into still powerful yet vertical climbing to the base of the roof. On open project tackles the steep roof to gain the top of the wall.

### Little Miss sunshine (11c)

This lovely short technical route will keep you thinking the whole way. Start up a short crack a climb through several tricky sections. Was initially very sandbagged at 11a...

### Sun Slinger (12b)

An extension of "Little Miss Sunshine". Steep and powerful but quite short.

### If Jerry Seinfeld was a Bee (11a)

\*\*Not picture

Located on the far left side of the wall on the same ledge where Little Miss Sunshine ends. Access by walking up about 10m past LMS. Big pulls through the initial roof leads into a mellow vertical section. One tricky move to reach the anchors.

### Spindrift Direct (open project)

\*\*Not pictured

A very stout boulder gains an easy corner system and climbs into the crux of Spindrift (13a)
