## Barrier Mtn. - The Racetrack

New sport climbing area with mostly technical climbing on the north end of Mount Baldy. The area is north-east facing and gets su early in the morning, but will be shady for the rest of the day.

Gear: 60 m rope and 13 draws

**Approach:** Park at the small (~10 cars) parking lot located directly west of the highway about ~ 1 km before you hit the normal Barrier climbers parking (ditch). Cross the highway and head up and slightly right towards the trees (cairn). Look directly behind the cairn for some flagging and follow it using game trails to the base of the rock face (25 min from the car). Turn left and follow the training for another 3 min to the crag.

Descent: All routes are set up for rappelling with a 60 m rope.

Sc 00p

Of logs and a single below bolt mark the start.

Squeeze past a tree to the start of the climb. work your way out of a scape and up, to the left of a treed ledge. The to route trends diagonolly sight, following on obvious weakness
