

Wild Child (5.11d) 5 bolt extension of Cadillac Jack

Climb Cadillac Jack (5.9) to the anchor on the ledge. From the ledge climb the right side of the arete to gain a jug on the left face. Powerful pulls out right leads to easier climbing to the chains

Wild Thyme (5.12b) Alternate finish to "Wild Child" 4 bolt extension of Cadillac Jack

Climb Cadillac Jack (5.9) to the anchor on the ledge. From the ledge climb the right side of the arete to gain a jug on the left face. Tackle a crimpy crux directly above the midway jug to moderately runout few moves to the anchors of "Wild Child". Just don't fall clipping the anchors.
